

Architectural Intern Cover Letter

88443 Katherin StationPort Anisa, MS 12790-5827

Dear Rory Braun,

I submit this application to express my sincere interest in the architectural intern position.

Previously, I was responsible for a basic explanation of the study and may act as a study resource for patients, families and staff.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Willingness to relocate or to commute on a daily basis to Amsterdam for the duration of the internship
- Knowledge of REVIT and 3-D graphics is preferred
- Strong reporting and documenting skills is preferred
- Working knowledge of AutoCAD and experience in SketchUp and Revit is preferred
- Pursuing a B.S., BArch, or March in and Architecture or design related field from college or university
- Pursing a B.S
- Experience managing projects from concept through implementation, in a fast-paced, team-based environment
- Should be comfortable with use of basic spreadsheet, database, and word processing programs

Thank you for your time and consideration.

Sincerely,

Dakota Frami
