

Area Manager Cover Letter

2524 Cassidy OrchardPort Faviolastad, NM 41797-1183

Dear Sutton Kilback,

Please consider me for the area manager opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for problem-solving and analytical support to purchasing managers in the development and delivery of best-in-class sourcing strategies.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Functional understanding of Business Intelligence platforms
- Scope of work (SOW) development
- SLA and KPI development
- Initiative launch and execution oversight
- Proficient in leadership principles and a team oriented work environment
- Knowledgeable in concepts related to forest stewardship
- Knowledgeable in safety concepts for timberland operations
- Familiarity with timberland accounting, inventory/GIS systems and general forestry operations

I really appreciate you taking the time to review my application for the position of area manager.

Sincerely,

Drew Hilpert
