

Area Manager Cover Letter

433 Shantae CampJakubowskichester, MS 11961-6748

Dear Dylan Lebsack,

I submit this application to express my sincere interest in the area manager position.

Previously, I was responsible for regular one-on-one coaching with direct reports to support leadership development, business decision-making, problem solving and performance management.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience driving Lean manufacturing principles and implementation of production systems
- Knowledgeable in Service Level Agreements (SLAs) and contractually binding documents
- Familiarity with the SAP/R3 module in finance/cost management
- Familiarity with the Work Management Process (WMP)
- Travel to cycle meeting once a month in Pittsburgh
- Play a vital role in managing, promoting and protecting the conservation and heritage of our national parks and reserves
- Join our journey to conserve over 850 protected areas within the State, including historic sites, places of Aboriginal cultural significance and habitats that protect wildlife
- Contribute to what we're doing to conserve our parks and reserves for generations to come

Thank you for taking your time to review my application.

Sincerely,

Gray Feeney
