

Art Designer Cover Letter

242 Earnestine Station Hickleton, NJ 93838

Dear Rowan Balistreri,

I submit this application to express my sincere interest in the art designer position.

In my previous role, I was responsible for insights into best practices and process on Adobe marketing cloud solutions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strong art direction and design skills that work in film, print, web and social
- Basic understanding of standards-driven HTML, CSS and JavaScript / jQuery in order to translate designs
- Production experience working with photographers, directors and vendors
- Adobe Creative Suite mastery (minimum Photoshop and Illustrator)
- Experience with Project Management software (JIRA, basecamp)
- Knowledge of current Adobe Suite applications (InDesign/Photoshop/Illustrator)
- Proactive approach to strengthening Creative team
- Demonstrated 2D design expertise

Thank you for taking your time to review my application.

Sincerely,

Skyler Batz
