Dear Hayden Crona,

I am excited to be applying for the position of art designer. Please accept this letter and the attached resume as my interest in this position.

My experience is an excellent fit for the list of requirements in this job:

- CG experience in addition to working with vendors from start to finish
- UX, UI or Social/Content Dev
- Proficiency in design & prototyping tools such as Adobe Creative Suite, Sketch
- Has a personal passion for digging deep into creative projects under pressure
- Fast - creating decks quickly is essential
- Well-organized and great at planning ahead (needs to be very capable of working on multiple global projects at once)
- Skilled at brainstorming and not afraid to come up with some over-the-top ideas
- Discerning, brand-sensitive eye for art direction

Thank you for taking your time to review my application.

Sincerely,

Shae Olson
