

Art Teacher Cover Letter

67942 Witting Mall West Kaceyton, MN 07117

Dear Greer O'Conner,

Please consider me for the art teacher opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for design and presentation support on multiple, fast-paced projects at once, with the ability to switch between them seamlessly.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Highly qualified and certified to teach Art in Tennessee (appropriate to grade level and subject responsibilities)
- Assume posture at low levels, stoop, sit on floor, and bend down numerous times a day
- Perform all activities with children for prolonged periods of time
- Perform duties both indoors and out
- Highly qualified and certified to teach Art with a valid state teaching certificate in Wyoming, Pennsylvania, Indiana, or Michigan
- Highly qualified and certified to teach Art in Kansas (appropriate to grade level and subject responsibilities)
- Demonstrated success working with diverse populations and students who have historically struggled academically and socially
- Demonstrated growth on the NC Educator Effectiveness Rating Scale or comparable metric that aligns to North Carolina Teaching Standards

Thank you for considering me to become a member of your team.

Sincerely,

Lennox Haag
