

# Artist Cover Letter

87252 Welch ForgePort Keshia, IL 70378

**Dear River Murazik,**

I submit this application to express my sincere interest in the artist position.

Previously, I was responsible for examples of seamless composition work in live action plates.

Please consider my qualifications and experience:

- Some experience with storytelling
- Some experience with reviewing and modifying code
- At least 1 published games preferably Xbox One or PS4 title
- Excellent understanding of geology, rock formations, terrain, and foliage
- Strong understanding of foundation art fundamentals including
- Experience in new-gen consoles
- Great team player with good initiative
- Hard-core player, strong passion on game industry and AAA projects

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Tyler Zboncak
