

Asset Analyst Cover Letter

130 Upton CirclesBraunland, ME 77803-5238

Dear Bellamy Upton,

I am excited to be applying for the position of asset analyst. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for analytical and asset management support on a diverse portfolio of commercial real estate debt investments.

Please consider my experience and qualifications for this position:

- Experience working with Vendor Managers, Product Managers (Owners), Application Managers and Engineers to help collect, organize, and manage their licensed software assets
- Experience with analyzing products and SKUs
- Experience analyzing purchase records and other entitlement information (including contracts, EULAs, EAs)
- Experience with data analysis using MS access and Excel
- Knowledgeable of various OS platforms, Windows, Unix, both virtual and physical
- Knowledgeable of inventory tools used across different platforms
- Knowledgeable of ITSM and ITIL Framework, preferably ITIL certified
- Knowledgeable of database applications

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Emery Auer
