Dear Oakley Willms,

I submit this application to express my sincere interest in the asset analyst position.

In the previous role, I was responsible for expertise for internal and external clients with analyses focused on real estate, accounting and finance.

Please consider my qualifications and experience:

- Securities Pricing/Securities Maintenance experience
- Experience with creating Assets inside financial systems
- Should have hands on experience with MS Excel
- Thorough understanding of current technologies and how they relate to the business units
- Advanced knowledge of MS Windows, Excel, and Word
- Familiarity with COBOL, JCL and TSO
- Possess working knowledge of Transaction Server (CICS) and DB2
- Interest in asset management, financial management and logistics

Thank you for your time and consideration.

Sincerely,

Brooklyn Nolan
