

Asset Analyst Cover Letter

4347 Marcos IslandHerschelpport, IN 86703-9824

Dear Shae Mraz,

I submit this application to express my sincere interest in the asset analyst position.

In my previous role, I was responsible for various scenario comparison analyses related to leasing, acquisition, and disposition strategies for individual real estate locations and portfolios of properties.

Please consider my qualifications and experience:

- This role will be the centre of expertise for asset accounting in Australia
- Preferred member of, or currently studying to be a member of a recognised accounting body
- Proven Excel operational skills eg
- Advanced proficiency in the use of Microsoft Access & Excel
- Strong undergraduate track record
- Articulate, energetic and motivated
- Prior investment banking experience or rating agencies experience
- ITIL, CSAM, CHAMP certifications preferred

I really appreciate you taking the time to review my application for the position of asset analyst.

Sincerely,

Alexis Dickens
