

# Asset Liability Analyst Cover Letter

292 Reichert GrovesJacquiville, NM 89505

**Dear Shae Parisian,**

Please consider me for the asset liability analyst opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for rail Accounting support to internal customers including Transportation Accounting, Crude Accounting, Product Accounting, BSC & ACS departments.

Please consider my qualifications and experience:

- Create, maintain and analyze historical databases of factors used to create modeling assumptions
- Preferably in a bank
- Understanding of financial market dynamics
- Comfortable working with large amounts of data and performing data manipulation and analysis
- Modeling, Data Manipulation
- Experience with QRM or Bancware ALM systems preferred
- Enrollment in or completion of a professional designation (FSA, ASA, CFA, FRM) or other investment/risk related training would be a definite asset
- Prior ALM experience is helpful

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Alexis Bayer
