

Asset Liability Analyst Cover Letter

564 Schneider Mount Katheymouth, MA 96932

Dear Oakley Emmerich,

Please consider me for the asset liability analyst opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for accounting guidance which includes maintaining accounting manual/SOX narratives, lease accounting, FAS 144 — asset impairment analysis, assets held for sale determination, and surplus assets analysis.

My experience is an excellent fit for the list of requirements in this job:

- CFA, FRM, CTP preferred
- Prefer familiarity with model risk management and validation
- Familiarity with an enterprise ALM risk model
- Advanced knowledge of the principals and application of financial concepts including NPV, IRR, financial valuation and risk measurement
- Familiarity with Visual Basic, SQL, and SAS preferred
- Analytics experience preferably in a bank
- Knowledge of QRM or other ALM software
- Hands-on experience with QRM, ALM5/6, or Empyrean

I really appreciate you taking the time to review my application for the position of asset liability analyst.

Sincerely,

Campbell Haley
