

Asset Planner Cover Letter

9825 Smitham UnionYingfort, CT 66564-8074

Dear Dallas Buckridge,

In response to your job posting for asset planner, I am including this letter and my resume for your review.

In the previous role, I was responsible for the customer with detailed understanding of the DoD SAP security manuals and the Intelligence Community technical specifications for construction and management of SCIFs as used in Fleet Facilities planning and construction.

Please consider my qualifications and experience:

- Solid understanding of resource management, cost management, and budgeting
- Successfully completed all Planner Asset Management training modules, or equivalent
- Experienced in using a computerised planned maintenance system (SAP)
- In depth knowledge of discipline specific work to be planned
- Basic artisan Training Module
- Work Knowledge of client disciplines – Metallurgy, Mining, Engineering
- Advanced SAP Planned Maintenance Training Module
- Code B driver licence

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Parker Muller
