

Asset Planner Cover Letter

1471 Schiller Skyway Dickensburgh, NY 48821-5884

Dear Robin Sipes,

Please consider me for the asset planner opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for first line GSM SAP, Kinaxis and other system user support in compliance with CIS support model.

Please consider my experience and qualifications for this position:

- Detailed ERP knowledge of planning and manufacturing modules as well proficiency in computer software such Excel, Word and QSI
- Understanding of the manufacturing planning model (JIT, kanbans, Lean, etc)
- APICS CPIM (Basics – Module 1) or equivalent is preferred
- Proficiency with iNFADs
- Prior experience working with US Navy/Marines
- American Production and Inventory Control Society (APICS) certification is preferred
- Experience with capacity planning and scenario modeling is highly preferred
- Experience with inspections and preventative/predictive maintenance repair of all assets

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Robin Wunsch
