

# Asset Servicing Analyst Cover Letter

4295 Dickens Green New Hal, NY 66441-1413

**Dear Tatum Green,**

Please consider me for the asset servicing analyst opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for global Asset team with market-specific data and analysis to determine product photography standards and maintain photography guidelines.

My experience is an excellent fit for the list of requirements in this job:

- Flexible and comfortable to deal with pressure and fast pace environment
- Japanese skill set (speaking and writing)
- Understanding JPMC's accounting structure
- Developing relationships with all stakeholders
- Interpreting Claim form & Litigation documents to determine key class action event details – (Eligibility, Class period )
- Proven experience working in a global team environment
- Extensive experience of working in a global environment
- Strong interpersonal skills and client service skills

**I really appreciate you taking the time to review my application for the position of asset servicing analyst.**

Sincerely,

Corey Kling
