

Asset Servicing Analyst Cover Letter

8079 Kassulke LocksLake Brian, OH 53049-1920

Dear Corey Paucek,

I would like to submit my application for the asset servicing analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for expert advice, counsel, education and service to the organization concerning asset management issues and risks, and new developments/trends in information technology.

My experience is an excellent fit for the list of requirements in this job:

- A strong attention to detail and highly organized
- Excellent escalation and communication skills – both written and verbal
- Client eccentric – communicates effectively and confidently
- It is vital to be able to build relationship with the team and internal clients
- Previous experience within Asset Servicing, Asset Management, Fund Administration or Custody
- Be looking to take on a new challenge in a growing, fast paced and ever-changing environment
- People management experience (able to lead teams) teamwork skills
- Investigation of differences between unit price performance and market indices movements

Thank you for your time and consideration.

Sincerely,

Lennox Bruen
