

# Asset Supervisor Cover Letter

74357 Ledner CourtsWebermouth, MO 99689-4811

**Dear River Connelly,**

Please consider me for the asset supervisor opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for oversight for Oracle Fixed Asset and Project Accounting Systems for the Americas, EMEA and APAC theatres.

Please consider my experience and qualifications for this position:

- In-depth knowledge of the various asset classes, investment processes, financial modeling, economic and the global markets
- Proficiency with Microsoft Excel, Word, PowerPoint, and Bloomberg
- Considerable knowledge of Federal Communication Commission (FCC) Rules and Regulations
- Provide leadership and supervision to a team of schedulers to sustain a positive work culture and to both optimise and deliver on our production targets
- Be the first point of escalation for the supply chain team and be able to work through abnormal scheduling decisions
- Correctly identify situations and decisions that require escalation and support from the Scheduling Superintendent
- Assist the department to drive continuous improvement in processes, systems and technology
- Coordinate the daily reporting to the business to provide insight (both looking forward and backwards)

**I really appreciate you taking the time to review my application for the position of asset supervisor.**

Sincerely,

Drew Kling
