

Asset Supervisor Cover Letter

960 Jody InletVikkihaven, MI 57193-0582

Dear Blake Hills,

In response to your job posting for asset supervisor, I am including this letter and my resume for your review.

Previously, I was responsible for ongoing support for the fixed asset system to ensure appropriate use and tracking of SP assets worldwide.

Please consider my qualifications and experience:

- Strong history and practical hands on skills in maintenance associated with bulk materials handling equipment
- Sound Technical communication and problem solving skills
- Intimate knowledge of Isolations Processes and Procedures
- Proficiency in 1SAP Work Management processes
- Experience in commissioning automated bulk materials handling plant and equipment advantageous
- Possess advanced skills in project management execution
- Electrical Nominee Qualification
- Be a team focused leader that mentors other trade's personnel within the department

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Baylor Leuschke
