Dear Alexis Schimmel,

I would like to submit my application for the asset supervisor opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for fixed assets related information to support the development of regulatory filings submitted to state and federal regulatory oversight agencies.

Please consider my qualifications and experience:

- Previous experience in a process of mining operation
- Electrical WA 'A' grade license or
- High Voltage switching operator training
- Extensive knowledge of current Statutory and Electrical Standards & Procedures, including M.S.I.R, AS compliance, OH&S and Electrical experience in the mining industry
- Root Cause Analysis and other Analytical Techniques(desirable)
- Knowledge of Maintenance Tactics(desirable)
- Strong engineering and technical proficiency specific to Fleet Management Systems or Process Control/Automation
- Advanced PC-based database skills, including construction of data tables and queries preferred

Thank you for considering me to become a member of your team.

Sincerely,

Shiloh Vandervort
