

Assistant Art Director Cover Letter

905 Niesha PortNorth Lynelle, AL 13669

Dear Charlie Gleason,

I submit this application to express my sincere interest in the assistant art director position.

In my previous role, I was responsible for print ready files to the pre-press/production department and uploads final images to our internal system for the feed to external vendors.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of office management and supervisory skills
- Superior design sensibilities across multiple book formats
- An appreciation of all kinds of books and all kinds of readers
- Great taste level with expert design and typography skills
- Strong knowledge of fashion photography trends
- Knowledge of processes and materials used in set design, fabrication and shoot
- Solid understanding of wider production processes
- Clear and collaborative communicator

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Zion Welch
