

# Assistant Athletic Cover Letter

5786 Tyesha VillagesHamillbury, CA 13838

**Dear Brooklyn Murazik,**

In response to your job posting for assistant athletic, I am including this letter and my resume for your review.

Previously, I was responsible for interpretations, updates on NCAA legislation and rules education to the various athletic department constituencies.

My experience is an excellent fit for the list of requirements in this job:

- Function without close supervision
- Understand and commitment to the spiritual mission of the university
- Willing to work in an outdoor environment, sometimes in adverse conditions
- Maintain a good working relationship with students, faculty and staff
- Manage crisis or hostile situations effectively and diplomatically
- Strong prioritization and critical thinking skills
- Knowledge of manual therapy paradigms (joint mobilization, soft tissue mobilization)
- New York State Athletic Training certification

**Thank you for considering me to become a member of your team.**

Sincerely,

Jordan Kreiger
