Dear Briar Hodkiewicz,

I submit this application to express my sincere interest in the assistant cook position.

Previously, I was responsible for content for transparent and coherent communication about nutrition and health aspects of our products, recipes and processing.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Grade XII, preferred, and graduate of Red Seal Certificate Program or
- Grade XII, preferred, with written/verbal English language competency, and basic mathematical skills
- Computer skills are an asset
- A thorough knowledge of practical cookery, baking and sanitation practices in the institutional setting
- Hand/eye co-ordination, visual, hearing acuity and fine motor skills to perform duties
- Food preparation areas are clean and hygienic
- Portions and dishes food on plate according diet ticket
- Ensure compliance with all food safety & sanitation guidelines

Thank you for considering me to become a member of your team.

Sincerely,

Hayden Kling
