

# Assistant Team Leader Cover Letter

9857 Hirthe LakePurdyport, AR 04956

**Dear Onyx Bauch,**

I am excited to be applying for the position of assistant team leader. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for strategic input to design and execution of clinical trial safety, product safety and risk management plans.

My experience is an excellent fit for the list of requirements in this job:

- Chartered membership of quantity surveyor professional
- Solid technical knowledge – Measurement, cost estimating, construction technology, contracts and law
- Understand and familiar with professional practice and contract administration processes
- Demonstratable leadership experience
- Exhibits initiative to forge productive cross-team/department relationships with members who are high frequency touch points
- Demonstrate initiative to independently identify needs and have flexibility to help-out where needed
- Knowledge of the wide-ranging and complex variety of fund/corporate structures
- Proven leadership skill and stakeholder management

**I really appreciate you taking the time to review my application for the position of assistant team leader.**

Sincerely,

Casey Koelpin
