

Associate, Acquisition Cover Letter

3828 Schowalter Park North Tracey Chester, CA 83613

Dear Armani Streich,

In response to your job posting for associate, acquisition, I am including this letter and my resume for your review.

Previously, I was responsible for clients with industry and market specific information as it relates to their business on a regular basis.

Please consider my qualifications and experience:

- Experienced in managing the full cycle recruitment process
- Expertly skilled at art-directing pixel-perfect world-class user interfaces and original, eye-catching visual design
- Expertly skilled in compiling the results of customer research into insights, service opportunities and design principles, with expert knowledge of both interactive and visual design standards
- Experience managing both in-house talent external design agencies
- Experience working in a fast-paced, Agile development lifecycle
- Experience working with content management systems and dynamically targeted content and messaging
- Minimum of 6 months experience in Human Resources or related Administrative function
- Exposure to high volume recruiting, temporary project recruiting or agency staffing experience, or nursing placement experience highly preferred

Thank you for your time and consideration.

Sincerely,

Cameron Larkin
