

# Associate Distribution Cover Letter

6709 White Islands West Kareem, ME 72184-8164

**Dear Corey Kshlerin,**

In response to your job posting for associate distribution, I am including this letter and my resume for your review.

Previously, I was responsible for subject matter expertise to management on a limited range of information security standards, best practices, and compliance requirements.

My experience is an excellent fit for the list of requirements in this job:

- Receive incoming product
- Store incoming product in appropriately designated locations to ensure storage is neat and safe
- Perform routine housekeeping functions in the distribution center and on material handling equipment
- Clean, neat penmanship
- Flexibility and willingness to work overtime as needed, including occasional weekends
- Strong inspection skills
- Accurate data input into a computer
- Demonstrate competencies to effectively work in a team environment with rapidly changing priorities, working closely and cooperatively with customers team members within the organization

**I really appreciate you taking the time to review my application for the position of associate distribution.**

Sincerely,

Brooklyn Dickinson
