- Detailed knowledge of MS Office and Adobe Creative Suite programs
- Encourage teamwork and creativity amongst designers and support staff in the Section
- Expert level knowledge of Adobe Master Suite
- Knowledge of video editing with After Effects and Adobe Premiere (or equivalent package)
- Knowledge of HTML 5 and CSS animation
- Keen insight into Facebook, Twitter, Instagram and other social media outlet trends
- Highly proficient in graphic design software packages, preferably Loftware, Bartender, In-Design, Illustrator, PhotoShop, and Acrobat
- Full understanding of prepress and print production

Thank you for taking your time to review my application.

Sincerely,

Campbell Okuneva
