

Associate Manager Cover Letter

75596 Bogisich ShoreFeestfort, MD 98358

Dear Bellamy West,

Please consider me for the associate manager opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for competency Skills Assessment, training and development of client accounting staff to ensure adherence to CIS policies & procedures and best practices.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Technically fluid with a strong proficiency in the Microsoft Office suite and Google Apps for Work
- Should have handled a team earlier with a minimum size of 8 or above
- Proficient English & Chinese
- Experience in managing multinational studies
- Master's / Phd in Life Science, Medicine, Veterinary science or equivalent professional experience
- Java, Jee, Spring, SpringBoot,IDE
- Solid CI/CD pipeline and tools skills
- A development background (Java , JEE and Spring is preferable) is HIGHLY desirable, but a strong scripting knowledge is also welcome

I really appreciate you taking the time to review my application for the position of associate manager.

Sincerely,

Oakley Aufderhar
