

Associate, Research Cover Letter

21396 Emmerich CapeLake Miguelstad, NC 64116-7230

Dear Max Rosenbaum,

I submit this application to express my sincere interest in the associate, research position.

In the previous role, I was responsible for service to the scientific community through reviewing manuscripts for publication and serving on editorial boards, grant review panels and national boards of directors.

Please consider my experience and qualifications for this position:

- With valid driver's license
- Extensive experience in research and program evaluation, with working knowledge of human subjects research protection and research ethics
- Extensive experience using word processing, Excel (MS Office), SPSS, SAS and other statistical software including federal data reporting systems
- Demonstrated extensive oral and written communication skills
- Extensive experience with social network analysis software or experience with qualitative data analysis software
- Working familiarity and knowledge of public health/social service delivery systems
- Extensive educational preparation in statistics (e.g., biostatistics certification, social science advanced statistical training)
- An interest in consumer or business buyer behavior, ideally in combination with technology adoption with varied undergraduate or postgraduate work experience

Thank you for your time and consideration.

Sincerely,

Haven Roberts
