

Associate, Research Cover Letter

65120 Schroeder KeySouth Boydtown, WY 30797

Dear Shae Simonis,

I submit this application to express my sincere interest in the associate, research position.

In the previous role, I was responsible for tabular and graphic summaries that accurately reflect the results of the analysis in a form suitable for inclusion in study protocols, grants and manuscripts for publication or presentation at scientific meetings.

Please consider my qualifications and experience:

- Experience using and programming laboratory automation is strongly preferred
- Experience with UNIX command-line bash operations is strongly preferred
- Experience with Microsoft Office (Word/Excel/PowerPoint) is strongly preferred
- Experience working with molecular dynamics
- Cell culture- basic knowledge of cell maintenance and aseptic technique
- FACS cell sorting, preferably for immunological markers
- Basic histology skills
- Animal husbandry and necropsy

Thank you for considering me to become a member of your team.

Sincerely,

Avery Dicki
