

Audio Technician Cover Letter

435 Ron TrackWest Federicoberg, IA 41610-2586

Dear Lennox Boyle,

I am excited to be applying for the position of audio technician. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for technical support for systems, equipment and software within the audio post production department.

Please consider my qualifications and experience:

- Experience in directly working with development teams
- Experience working closely in a team environment
- Experience working autonomously without supervision
- Supporting video conferencing equipment
- Well-rounded background in audiovisual techniques
- Relevant hands on experience including any of the following is preferred
- Understanding of basic server system administration skills for both Windows and Linux
- Functional and technical skills and knowledge to perform at a high level of accomplishment

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tatum Gislason
