

Audio Technician Cover Letter

80789 Lionel Road
Lake Kaylene, NJ 46889

Dear Marion Lindgren,

Please consider me for the audio technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for real-time 24/7 hardware maintenance support for operational and supplementary computer and communication equipment at operational sites.

Please consider my qualifications and experience:

- A flexible approach for dealing with varied tasks
- An awareness of electrical safety issues
- Comprehensive knowledge of digital captures and techniques
- Effective verbal and written communication competence
- Experience in a fast paced environment in an academic institution or similar
- Prefer applicants with some post-high school education in a related field or equivalent experience
- Thorough knowledge and skills in setting up and operating various audio-visual control and projection systems, video playback equipment, digital video cameras and various audio components
- Experience terminating a variety of AV wiring applications

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Rory Wuckert
