Dear Landry Morar,

Please consider me for the audio technician opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for coordination of project details with client, producer, and other stakeholders; serve as communication hub for the audio/sound department or a sub-department.

My experience is an excellent fit for the list of requirements in this job:

- HS diploma, Theater Education (BA) or (BFA) or equivalent experience preferred
- Previous experience in the Entertainment/Theme Park Industry preferred
- Previous experience in audio system install, operation and maintenance for both live band and tracked band shows with live vocals
- Willingness to cross train for other operational departments and assist during specific key periods
- Ensure compliance w/ standard operating procedures, park policies, and regulations
- Valid driver's license to operate company vehicles, PIT equipment and parade floats
- Knowledge of Local Area Network technology
- Experience supporting CDC

I really appreciate you taking the time to review my application for the position of audio technician.

Sincerely,

Reese Mitchell
