

Audio Cover Letter

3487 O'Connell Stream Stantonburgh, CA 08365

Dear Onyx Daniel,

I am excited to be applying for the position of audio. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for audio support for show control functions and video production services, both recording and taping using Medialon.

Please consider my experience and qualifications for this position:

- Has some experience or knowledge of audio game development tools, such as Wwise or FMOD
- Knowledgeable in entertainment industry in terms of video games, movies, TV series, music and fashion culture
- Familiarity with a variety of audio middleware application
- Familiarity with audio specifications of various game platforms
- Create and implement world class in-game audio
- Take ownership of large features and multiple game levels
- Task and supervise external contractors
- Represent and advocate for audio to the larger team

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sam Hansen
