

Audio Cover Letter

2033 Desmond Highway Tillmanfurt, NY 18698

Dear Bellamy Green,

I submit this application to express my sincere interest in the audio position.

Previously, I was responsible for technical expertise to customers in audio-visual systems, computers, servers, firewalls, network switchgear, configuration, and management tools.

Please consider my experience and qualifications for this position:

- Interest in tools, audio pipe line and audio 3D rendering, knowledge in DSP algorithm is an asset
- Experience with Max MSP is an asset
- Passion for audio programming
- Minimum 2-3 experience as a copywriter with an advertising agency or media company
- Has created audio campaigns for advertisers and can share examples of those campaigns
- Knowledge of direct-response brand/strategic advertising
- Understands the marketing model, the power of sound and audio, and knows how to create a strong 'sound strategy' for advertisers
- Thrives in a fast-paced, performance-oriented environment

I really appreciate you taking the time to review my application for the position of audio.

Sincerely,

Tyler Tremblay
