

Audio Cover Letter

476 Willian DamLake Shawn, AR 83708

Dear Phoenix Toy,

I am excited to be applying for the position of audio. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for audio Visual technical support for high profile meetings in a managed conference center.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Has shipped at least 2 AAA titles
- Commercial or proprietary Game engine experience (animations tags, emitters, scripts...)
- Commercial or proprietary Audio engine experience
- Methodically test and debug in-game audio assets
- Knowledge of software used to create and manipulate sound effects such as Pro Tools or similar
- Familiar with general recording principals, foley, DSP and 5.1 mixing
- Experience using asset management systems such as Perforce
- Self-motivated and a willingness to learn new tools and be part of a team

Thank you for your time and consideration.

Sincerely,

Royal Herzog
