

# Audio Cover Letter

38498 Schuppe Village Trantowbury, KY 12275-6265

**Dear Oakley Buckridge,**

In response to your job posting for audio, I am including this letter and my resume for your review.

In the previous role, I was responsible for level 2 technical support of all in-room and property-wide audio visual, lighting and entertainment systems.

My experience is an excellent fit for the list of requirements in this job:

- Shipped AAA games as an Sound Designer / Audio Designer
- Excellent skill set of sound design & audio manipulation
- Advanced experience with DAWs, and popular audio middleware
- Advanced knowledge of synthesis
- Extensive understanding of music theory
- Work efficiently with a high attention to detail
- Game development experience on an AAA title an asset
- Strong C/C++/C# language skills

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Lennon Schuster
