

# Audio Cover Letter

433 Susanne Ranch Russchester, WY 06144

**Dear Quinn Cummings,**

I would like to submit my application for the audio opening. Please accept this letter and the attached resume.

Previously, I was responsible for I3 troubleshooting support to Micron and contractor audio visual support staff as needed and on a global level.

Please consider my experience and qualifications for this position:

- Able to work hand-in-hand with VPs of Sales, account executives, program directors and on-air personalities
- Experience with AudioKinetic - Wwise
- Significant experience with mixing, recording, editing, and implementation of sounds in a game development setting
- An understanding of the basic principles of good audio design
- A passion for audio design and making games
- Extensive knowledge of the current standards of audio design in the game industry
- Expert knowledge of Wwise, Unreal, and Pro Tools
- Portfolio/demo reel demonstrating a creative, keen ear for audio design principles involving UI, Music, SFX and aesthetic approach

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Lennox Johns
