

Audio Visual Cover Letter

7237 Virgen Springs North Jesusview, ND 89874-1339

Dear Stevie Denesik,

I would like to submit my application for the audio visual opening. Please accept this letter and the attached resume.

Previously, I was responsible for customer service and audio-visual equipment troubleshooting and problem resolution via phone, video and email.

Please consider my experience and qualifications for this position:

- AMX control system programming and operation
- Biamp, ClearOne, Soundstructure programming and operation
- Visual display configuration including knowledge of aspect ratios, video resolutions, EDID code
- Experience in the programming and configuration of systems (AMX, Crestron, Extron, Medialon, QSC, Polycom, Cisco, BSS)
- BICSI RCDD, Cisco Certification or similar accreditation
- Ready to work independently as part of a globally distributed team
- Requires extensive knowledge and experience in Mediasite Video Platforms, Camtasia, Final Cut Pro X, Digital Camera Photography and Adobe Creative Cloud Suite, especially those that are currently being used at the University
- Strong background working with Extron, Crestron, and/or Tandberg Lync/Skype for Business

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Gray McClure
