

Audio Visual Cover Letter

2196 Sal ForgeEast Isabel, OK 37480

Dear Jordan Hahn,

I am excited to be applying for the position of audio visual. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for audio-visual (A/V) support, which includes assisting and training end-users on the proper use of A/V equipment and new corporate hardware and software applications.

My experience is an excellent fit for the list of requirements in this job:

- Strong knowledge with demonstrated experience using VTC Codec's (Polycom and Cisco), Audio Mixers, Control Systems, AV automation, Wiring, Amplifiers, Microphones, Projection systems, Video Cameras and other AV peripheral equipment
- Proficiency installing, configuring, and troubleshooting Audio DSP's
- Implement and maintain monitoring systems and processes to check the health of the audio visual infrastructure
- Comprehensive knowledge of VTC's, Projectors, Screens, TVs, switchers, amplifiers, digital and analog mixers, Scalers, audio processing /compression, digital video systems, Crestron and Extron switchers, touch panels, Crestron Fusion, Toolbox
- Solid knowledge of audio-visual connectivity and signal flow
- Basic knowledge of voice and data software/hardware, networking protocols and terminology
- Outstanding follow-through and problem solving skills, resourcefulness and multi-tasking
- Develop and maintain high-quality audiovisual and video conferencing infrastructure construction and signal flow drawings

Thank you in advance for taking the time to read my cover letter and to review my resume.
