

Audiologist Cover Letter

42156 Nader RampMertzton, WI 27909

Dear Lennox Cummings,

I am excited to be applying for the position of audiologist. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for hearing aid counseling, fitting, evaluation and troubleshooting of malfunctioning hearing aids, cochlear implant management, including programming of speech processors, troubleshooting, and counseling.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Submit evidence of no less than 12 months of satisfactorily completed supervised professional full-time experience or its part-time equivalent obtained under the direction of an audiology doctoral program
- Passage of a Board-approved examination
- Current California Dispensing Audiologist license or a Provisional Audiologist license and full licensure within three months of hire
- Excellent computer skills and expertise working with electronic databases and systems
- High level of skill in various audiological assessment procedures pertaining to the pediatric population
- Audiological and balance evaluation and treatment for primarily adult populations
- Postgraduate training and experience administering standard audiologic tests
- Postgraduate training and experience in selection, fitting and verification of hearing aids and assistive listening devices

Thank you in advance for reviewing my candidacy for this position.

Sincerely,
