

# Audiologist Cover Letter

4504 Robert DivideColumbushaven, PA 08805

**Dear Sam Mitchell,**

I am excited to be applying for the position of audiologist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for auditory rehabilitation services, including the dispensing, fitting and service of hearing aids, assisted listening devices, and other appropriate technology.

Please consider my qualifications and experience:

- Postgraduate training and experience in performing and interpreting neurodiagnostic tests for vestibular function and their interpretation in patients
- State of Michigan Audiology license
- Collaborate on a team that includes audiologists, support personnel, audiology technicians, physicians and nurses while being led by standardized policies and procedures
- Coursework and experience in clinical neurophysiologic measurement and interpretation
- Have a passion to provide extraordinary levels of patient care with compassion, kindness, honesty, and integrity
- Have the motivation to maintain a high level of familiarity with new technology and industry innovation
- Have success in developing trust and loyalty with patients of all ages
- Good hand dexterity to manipulate small objects associated with hearing aids, cochlear implants

**I really appreciate you taking the time to review my application for the position of audiologist.**

Sincerely,
