

Audit Director Cover Letter

1202 Rea Lodge Bartonberg, KY 14844-3390

Dear Zion Vandervort,

I submit this application to express my sincere interest in the audit director position.

Previously, I was responsible for direction and leadership to ensure that all aspects of the Internal Audit function operate efficiently and minimize risk/exposure.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strong negotiation skills and aptitude to influence
- Able to produce timely, accurate work of high quality
- Knowledge of banking, insurance, and mortgage operations
- Strong understanding of the banking industry, Sarbanes Oxley, COSO, and experience auditing finance related areas including financial and regulatory reporting, DFAST, ALLL, capital management, balance sheet management, and liquidity
- Working knowledge of Microsoft products and audit software
- Working knowledge of Sarbanes-Oxley compliance and COSO framework is preferred
- Manufacturing industry experience and/or SAP experience is preferred
- CPA, CA, CIA and/or CISA certification

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Royal Kihn
