

Audit Leader Cover Letter

7927 Diamond AlleyDonnland, IN 65082

Dear Cameron Fisher,

I would like to submit my application for the audit leader opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership to the team and to Internal Audit on data access and data management to ensure that all data obtained is managed in accordance with data/information security polices and requirements.

Please consider my experience and qualifications for this position:

- Opportunities for career growth and diversity
- International working environment including initial training in the UK
- Opportunities for professional and personal development
- Demonstrate and apply strong project management and leadership skills, inspire teamwork and responsibility with team members, and use of technology and tools to enhance the effectiveness of the audit process and deliverables
- Professional IT related audit or regulatory compliance certification (CISA, CISSP, and/or CIA)
- Proficient in the International Standards for the Professional Practice of Internal Auditing, COBIT, ITIL, and/or NIST-800, IT auditing theory, procedures and techniques
- Adept with all major aspects of bank IT systems and operations, corresponding compliance regulations, and the associated IT risks applicable to each process area
- Accomplished professional communication skills, including sound verbal and listening abilities, and using discretion and integrity when handling confidential information

I really appreciate you taking the time to review my application for the position of audit leader.
