

Audit Manager Cover Letter

1522 Shanahan Fall North Clifton, MN 62663

Dear Alexis Olson,

I am excited to be applying for the position of audit manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for business information that assists in understanding performance and the business ability to meet planned outputs.

My experience is an excellent fit for the list of requirements in this job:

- Practical business line experience in Canadian Retail Banking would be an asset
- Strong knowledge of Fund/Securities servicing and asset management
- Past experience from an internal audit or consultancy department with knowledge and experience in Risk
- Strong knowledge and understanding of Regulations, including MiFID II, MAR, EMIR, UK regulations
- Experience in the Healthcare industry preferred OR significant technical expertise in financial reporting and GAAP, but would like work in healthcare
- Openness to influence, flexibility and self-awareness
- Proficient in tools and techniques and some background in creating automated testing
- Self-starter, someone who shows initiative and looks for ways to improve or enhance existing processes

I really appreciate you taking the time to review my application for the position of audit manager.

Sincerely,

Armani Doyle
