

Audit & Risk Management Cover Letter

57446 Georgetta Squares North Briceside, NM 63776-9151

Dear Drew Ryan,

Please consider me for the audit & risk management opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for oversight for execution of various information security risk assessment and testing activities, including information security risk assessments, IT security capability assessments, compliance assessments, controls testing, etc.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Masters in Accounting or Business and Administration
- Demonstrated leadership capabilities - managing people, projects and deliverables
- Knowledge of regulations governing the health care industry (Medicare, Medicaid, NCQA)
- Experience producing and presenting deliverables to senior management
- Experience utilizing Microsoft Visio and Microsoft Access
- Requires understanding of risk management, compliance and internal control frameworks
- Requires in-depth knowledge of multiple business and technical capabilities
- Requires strong interpersonal and change management skills, solid presentation and

Thank you for considering me to become a member of your team.

Sincerely,

Hayden Cormier
