

Audit & Risk Management Cover Letter

65533 Hagenes MountNorth Evangelinahaven, PA 01237

Dear Dylan Hudson,

I would like to submit my application for the audit & risk management opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for lead level expertise for IT and security risk and control related matters with a focus in cybersecurity, physical security, logical access and information security.

My experience is an excellent fit for the list of requirements in this job:

- Lead, coach, mentor and develop assigned auditors in a professional internal audit environment
- Establish and maintain professional and creditable relationships with a wide range of stakeholders including the senior executives and functional heads across the delegated area
- Be committed to continuing professional and personal development
- Provide cover for their Director
- Sound business knowledge of investments, including front office (Fixed Income), back office and corporate functions and enterprise risk management, including insurance, market, credit, operational and liquidity risk
- Demonstrated hands-on approach in planning, leading and executing audits in team environment within established time budgets
- Experienced in validation of regulatory issues and dealing with the regulators
- Relevant audit or industry certification is preferred (e.g., FRM, CRM, CIA)

Thank you for taking your time to review my application.

Sincerely,

Bellamy Beier
