

Audit Senior Consultant Cover Letter

1095 Halvorson Station North Noe, ME 45850-7160

Dear Emery Kassulke,

I would like to submit my application for the audit senior consultant opening. Please accept this letter and the attached resume.

Previously, I was responsible for input into the scope and work programme for each audit in conjunction with Management and Internal Audit colleagues.

My experience is an excellent fit for the list of requirements in this job:

- Hiring Manager sits in Seattle while the Upper Management sits in CA
- Finance or Operations background
- Advanced Microsoft Office Suite expertise
- Certification in IT Audit or Information Security (CISA, CISSP, or equivalent) is preferred
- Experience leading, directing or reviewing the work of staff in the completion of IT Audits is preferred
- Experience performing SOC-2 audits - including the development of test plans (Type I and Type II) for all Trust Services Criteria - is preferred
- A demonstrated knowledge/awareness of a variety of technologies and cybersecurity/IT controls topics
- Develop and maintain an audit plan that brings systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance

Thank you for your time and consideration.

Sincerely,

Rory Tromp
