

# Audit Senior Manager Cover Letter

3710 Hung HarborsNew Ruthaville, WA 22816

**Dear Quinn Dicki,**

I would like to submit my application for the audit senior manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for highly technical expertise in multiple areas of accounting, including independently performing research and documentation of complex technical accounting issues.

Please consider my experience and qualifications for this position:

- Analyze and synthesize complex information to form options and recommendations
- Good knowledge of the principles, practices and techniques of auditing
- A good understanding of banking, asset management, mutual funds, brokerage or other financial services business related regulatory requirements
- Experience of major systems development projects
- Experience in Quality Assurance, Quality Control, Information Security, testing within the technical community and a broad experience with information systems development methodologies, risk assessment or risk management functions
- CIA, CPA or CISA designation
- Extensive knowledge of US GAAP and SOX controls
- Proficient at analysing audit issues and operating weaknesses working with stakeholders to efficiently and effectively address them

**I really appreciate you taking the time to review my application for the position of audit senior manager.**

Sincerely,

Avery Witting
