

Audit Senior Manager Cover Letter

7707 Reda Circle
Port Rosalia, CT 74522-0339

Dear Alexis MacGyver,

I am excited to be applying for the position of audit senior manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical accounting expertise and leadership to the finance and business organizations on the consequences of accounting issues impacting our business.

Please consider my qualifications and experience:

- Experience in the insurance or insurance brokerage industry, desirable
- Proficiency in basic PC applications (Excel, Word, PowerPoint, Outlook)
- Proficiency in another widely used language in WTW, other than English, desirable
- Demonstrate success to the firm around practice development, providing thought leadership and meeting target sales goals by having an established network and participating in various market facing activities, such as industry presentations, webcasts, professional networking events, preferred
- Team management experience including hiring, training, coaching, assigning and evaluating work, and delivering performance reviews to direct reports
- Experience with audit analytics, using tools such as ACL or Tableau is preferred
- Certified Public Accountant (CPA), Certified Internal Auditor (CIA) or other related certification is preferred
- Strong competencies/body of knowledge of IT risk and IT operations, having led multiple assessments of an organization's processes against leading IT risk frameworks and security standards/practices (e.g., COBIT, ISO 27001, NIST, PCI)

Thank you in advance for reviewing my candidacy for this position.

Sincerely,
