

# Audit Senior Manager Cover Letter

914 Lynna Place  
North Kyleeville, CA 92700

**Dear Finley Bartell,**

Please consider me for the audit senior manager opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for technical accounting research, including writing of technical memorandums as well as assisting in the implementation of new accounting guidance.

My experience is an excellent fit for the list of requirements in this job:

- Works co-operatively with others to achieve objectives, displaying an understanding of group dynamics, being a team player, being collegial and collaborative, open and non-territorial
- To effectively lead high profile strategic engagements which have the potential to add significant business value, including the effective planning of the engagement, undertaking some fieldwork and reporting
- To provide insights to inform the shaping of issues and opinions on engagements and to ensure that the root causes of issues are identified, raised and addressed
- To think commercially and oversee that the engagement team and direct reports work efficiently
- An advantage to have an audit qualification, or subject matter expertise in auditing technology risks and controls
- A commercial acumen, with a strategic mind-set
- Working knowledge of the firm's audit methodology audit tools such as CaseWare and IDEA – PREFERRED
- Experience working with leadership and partners - PREFERRED

**Thank you for your time and consideration.**

Sincerely,
